It's the latest, cutting-edge offering from **Women For Hire** – the leader in career expos for women. Since 1999, we have been **the first and only company** devoted to a comprehensive array of recruitment services for talented, career-driven professional women.

Now, **no matter where you live**, you can benefit from our services.

Registration is OPEN! For more information, go to:

How It Works

Our online career fair is **similar to attending one of our in-person career expos** – only instead of chatting with recruiters face-to-face you'll do it **via instant message from the comfort of your home or office**, right at your computer.

It's simple:

- 1) Register.
- 2) Once the event begins, **select which organizations interest you**. Our system will let you know as soon as that recruiter can talk to you.
- 3) **Chat instantly** in a private booth one-on-one about your background, experience and opportunities at their company or organization in a timed, text based chat.
